科学技術振興機構 (JST) は、科学技術振興を目的として設立された文部科学省所管の独立行政法人。機構の運営する学術雑誌の電子ジャーナルサイトJ-STAGEを訴求する雑誌広告デザイン。information outlook誌に掲載。日本で最大級のe-Journalsであることを、シンボリックなビジュアルで表現した。

An independent administrative agency of the Ministry of Education, Culture, Sports, Science and Technology jurisdiction that Japan Science and Technology Agency was aimed for technology promotion, and was established. The magazine advertisement design which solicits e-journal site J-STAGE of the learned journal to administer of the mechanism. It is carried by information outlook magazine. I expressed that it was maximum-scale eJournals by a symbolic visual in Japan.
