

新横浜プリンスペペの、バレンタインフェアの折り込みチラシ。
撮影はなんとペペ内部の宴会場で行われた。流通の撮影は商品管理に気を配るが、ここは割と良心的で、撮影中になにか小道具等が必要になった時も店内の商品を貸してくれて非常に助かった。

The insertion handbill of Valentinefair of Shinyokohama Prince-pepe. Photography was done in what and the banquet hall inside pepe. Goods inside the store were lent, and this was very much helped when it was rather conscientious and what, properties, and so on became necessary during the photography too though the photography of the circulation was careful with control of goods. The right is a handwritten draft.
