

こちらは、上下水道処理施設の総合パンフ表紙。縦横に走る上下水道を、葉の葉脈にみたてたビジュアルで表現。実際の商品とはかけ離れた美しい表紙にして、この商品の高度な処理能力をアピールした。

This is the cover of the synthesis pamphlet of the up-down water service treatment establishment. Express an up-down water service to run in the length and breadth with visual like the vein of the leaf. It was made a far beautiful cover, and it appealed for the advanced treatment ability of these goods as for the actual goods.
